So, I confirmed with the new Warden, (b)(6); (b)(7)(C) The requested video is no longer available. The footage is held in memory up to around 90 days. They attempted to locate and was negative.

Not yet. If it's outside the 90 day window, it may not be available. They are checking another source to see if it can be retrieved. I'll keep you updated.

Hi (b)(6); (b)(7)(C)

My security SME recently reached out to me and asked if it is possible for you or the facility to send us a CD of the video surveillance video we watched while on site. Are you able to facilitate that for us?

Thanks,

(b)(6); (b)(7)(C)
